

### **Judging rules and Criteria :**

1. In the event the judges' decision will be final and binding.
2. Judging panel will be decided by the organizing committee.
3. Scoring mostly depends on the presentation. If you fail to do so then you are automatically disqualified.

### **Judging Rules :**

1. Creativity and Innovation
2. Design
3. Completion and Elegance
4. Saleability and Scalability
5. Realistic Capability

### **Submission Instructions :**

- Within the given time limit (**Deadline 16<sup>th</sup> Jan 11:59 PM**) we will be sharing a Google form where you have to upload the code files and also you have to make a presentation video explaining your solution.
- You have to submit all your code files in a single folder named as Team\_Name and compress it into zip/rar file.
- If you are making an application then it is compulsory for you to upload .apk/.ipa file.

### **Flow of Presentation :**

Please make sure that the length of your presentation video is up to 10 minute.

1. What are the technologies you used for your solution?

2. Explain your idea.
3. Explain the detailed functionality of your solution.
4. What in your opinion, the difficulties your solution may face for real life implementation?

**Note :** If you have any queries feel free to contact on our discord server or Whatsapp group.
